EXPERIENCE/PROJECTS

Graphic Designer and 3D Visualizer

Project Mirage

Islamabad, Pakistan

instagram.com/pro.mirage

Project Mirage is 2D and 3D Design firm dealing in UI/UX Design and architectural design/ visualization.

My activities included:

- Worked in a team of 4 designers where my main role was rendering 3D architects and designing social media posts and branding.

Savvy Homepage UI/UX Redesign

Savvy

Islamabad, Pakistan

savvy.com.pk

Savvy is a premium freelance marketplace made for the freelancers of Pakistan.

- My main goal in this project was to redesign the UI/UX of Savvy's homepage.
- Moreover I also wrote a UI/UX case study on the entire process on Medium.
